

Atrazine/ Review # 11 / 10.17.77 / 1 page

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Releasable

DATE:

SUBJECT: Amended registration September 14, 1977 of Atrazine products:
100-439. 497, 535 & 585. Caswell No. 63.

FROM: Toxicology Review

TO: Mr. Robert Taylor
Product Manager No. 25

Re: Rogoff memorandum of October 6, 1977 regarding products containing nitrosamines: "I recommend that pending and incoming registration actions on such products (nitrosamines) be suspended."

Since Atrazine products contain nitrosamines, registration actions should be suspended.
